CAICK ANDRADE DIAS

I have a passion for solving challenging problems, exploring new ideas and diving into prominent tech stacks. I'm sociable, an effective collaborator and a fast learner. I started my coding journey in college at 17 years old. I have designed, developed and successfully launched a mobile app to solve group bill splitting at restaurants.

SKILLS SUMARY:

2 years of experience writing HTML/CSS and JavaScript, ReactJS (React Native) and associated web frameworks).

Technologies: Javascript ES6, Typescript, Node, React (hooks, contextAPI, async/await, react-router-dom, hook-form, chartjs), React Native (Expo, dev client, mlrkit OCR, React Navigation), git, Github, shell programming, HTML/CSS (TailwindCSS, Bootstrap). Figma, Adobe Suite (Illustrator, After Effects).

EXPERIENCE

Indie Software Developer (2020 – Present) – Divide aí!

- Fully designed, developed and released a fully functional mobile app for both iOS and Android platforms (link below)
- App created using React Native, React and Javascript concepts as React Hooks, Context API, declarative paradigms, functional components, ES6, componetization

Projects and quality diretor (2013 – 2014) – Junior Information Systems Enterprise at UNIMONTES

- Planning and development of internal time clock system using CodeIgniter, PHP, jQuery, MySQL and MVC
- Team developent with kanban and Github

PROJECTS

Divide aí! (https://linktr.ee/divideai): mobile app for splitting group bills

Alarm clock: an alarm clock where you have to solve given equation to turn it off

URL Parser: paste your URL and the app will parse its information

Invoice generator: generate invoices PDF with node

Shell script static site: a shell script to generate a static HTML website

GoDev discord bot: a bot that will send beecrowd exercises when asked to

Pokemon API: app to fetch pokemon's api

Memory game: simple React Native memory game

Blaze crash scrap: web scraping with puppeteer for game values

EDUCATION

B.Sc. in Information Systems - Universidade Estadual de Montes Claros (2012-2018)
